

WinterSchool 2025

We are pleased to confirm that

Mayowa Adeyemi

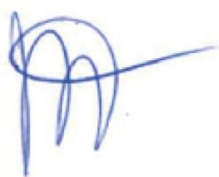

has successfully

participated in **Infineon WinterSchool (online event)**

“Shaping the Future through Data Engineering!”

04-06 February 2025

Villach, 06.02.2025

Mag. Martina Wolfgruber
Head of Talent Funding & Collaborative Projects

Mag. Christiana Zenkl
Head of HR Austria

Program WinterSchool 2025

Tuesday, 04.02.2025

- Welcome to Infineon's WinterSchool 2025 | Introduction by IPCEI & KAI GmbH.
- Christian Dreier & Thomas Tradel | Infineon Austria: Data Engineering & Business Intelligence in the Semiconductor Industry.
- Matthias Böhm | TU Berlin: System Infrastructure for Data-centric ML Pipelines in various Application Domains.

Wednesday, 05.02.2025

- Konstantin Schekotihin | University of Klagenfurt: Bridging Symbolic and Sub-Symbolic AI for Decision-making in Semiconductor Manufacturing.
- Didem Azgin | Infineon Germany: Escape the room
- Marius Birkenbach | KAI GmbH: Data processing – R&D use cases.
- Sandor Brockhauser | Humboldt University Berlin: Open and FAIR Experimental Data Management

Thursday, 06.02.2025

- Marcel Kulicke | Infineon Germany: Cyber Security tales - Why attacking is way easier than defending.
- Poster Session
- Olivia Pfeiler | KAI GmbH: Unveiling the Power of Data & Data Engineering to Enhance Semiconductor Lifetime Models.
